Membership Renewal - Institutional Submission

This form can be used by churches, schools, or other institutions to renew multiple memberships with one payment. Please note, that membership is individual as each member must affirm the doctrinal basis each year as a part of the renewal process. This form simply serves to allow administrative personnel to collect and submit the necessary renewal information on one form and with one payment for multiple members.

Please submit your completed renewal form by fax (with credit card payment) or mail (with credit card or check payment). Please do not send credit card information by email. Email is an unsecured method of transmission which could put your credit card data at risk.

Please allow at least 7-10 business days for processing.
