“A valuable contribution to helping us rightly understand the greatness of the gospel.”

—Daniel L. Akin, President
Southeastern Baptist Theological Seminary

ONLINE PROGRAM
Keep up with last minute schedule changes via the online program addenda and errata page at www.etsjets.org/program_changes.

Dear ETS Colleagues and Friends,

I am pleased to present to you the program for the 2011 National Meeting of the Evangelical Theological Society. This list of presentations reflects the broad-based support the society enjoys. Over five hundred papers will be presented out of over eight hundred proposals submitted. Nearly one hundred members participated in the selection process. While the vast majority of the presentations will be by ETS members, we will also welcome many non-members who will speak to us.

Each year the society addresses a perennial issue in Christian theology. A few years ago our Executive Committee chose “No Other Name” as the theme for this year’s meeting. This topic has been foundational to the Christian faith since Jesus claimed, “I am the way, and the truth, and the life. No one comes to the Father except through me” (John 14:16), and his disciples proclaimed “And there is salvation in no one else, for there is no other name under heaven given among men by which we must be saved” (Acts 4:12). We trust that we will engage in helpful, irenic discussion of this vital doctrine.

I am particularly grateful that Darrell Bock, Tim Tennant, and Kelly Kapic have agreed to be our plenary speakers. These thoughtful scholars represent the spectrum of ages, institutions, and theological traditions in our society’s membership. They will challenge and enrich us as they address us on our theme.

Each year we also discuss a host of issues not specifically related to our annual theme. As is our custom, this year’s presentations will include topics from the wide range of disciplines our members teach and the theological traditions they represent. We welcome this evangelical diversity.

Please enjoy the fellowship and enrichment the conference provides. Thank you for your support of ETS.

Yours in Christ,
Paul R. House

PARALLEL SESSIONS

The parallel sessions are composed of five different session types.

A Affiliated Society sessions feature presentations that were selected and arranged by one of the three societies which join ETS each year: the Adventist Theological Society, the Evangelical Philosophical Society, and the Near Eastern Archaeological Society.

D Discipline specific sessions are composed of presentations that were submitted by ETS members and rated by a panel of scholars who served under the direction of the program chair. These presentations have been grouped into basic disciplines: Old Testament, New Testament, Biblical Theology, Systematic Theology, and Church History/Historical Theology.

P Program Unit sessions are a combination of invited papers and proposed presentations which were selected by the program unit steering committees. ETS has three types of program units. *Consultations* are new program units which are responsible for one session of invited papers at the meeting. *Study Groups* are narrowly focused groups which require active, collaborative participation by the group members. ETS encourages study groups to publish the results of their work. Study groups are responsible for one session of invited papers at the annual meeting. *Sections* are broadly defined groups that represent general areas of interest. Responsible for one session of invited papers and one session of papers drawn from member submissions, the sections offer the most access for unsolicited papers.

T Theme sessions are composed of presentations submitted by members, which address the topic of *No Other Name*. These presentations were evaluated by a panel of scholars under the direction of the program chair. The theme presentations have been arranged into cohesive sessions based on texts, topics, and methods.

C Career sessions are special sessions that are designed to help ETS members in their careers. These sessions include discussions of the academic job market, publishing, interviewing and other significant career development topics.

Every word of Scripture matters because every word is from God and for people. Because every word is from God, the HCSB uses words like Yahweh (Is. 42:8), Messiah (Luke 3:15), and slave (Rev. 1:1). And because every word of Scripture is for 21st century people, the HCSB replaces words like “Behold” with modern terms like “Look.” For these reasons and others, Christians across the globe are taking a fresh look at the HCSB.

HCSB

Take a fresh look

JOHN 3:16
Misunderstood?

If you think that John 3:16 communicates God's love for the world, you are exactly right. But, if you think the "so" in John 3:16 communicates how much God loved the world, you are misunderstanding the meaning of the "so." The intended meaning of the original language of John 3:16 really focuses on how God loves the world. For this reason and others, Christians across the globe are taking a fresh look at the HCSB.
