## LETTER FROM THE PROGRAM CHAIR

### Welcome to the 65th Annual Meeting of the Evangelical Theological Society

The theme for this year's conference ("Evangelicalism, Inerrancy, and the Evangelical Theological Society: Retrospect and Prospect") takes us back to the founders of the Evangelical Theological Society and to the reason the society was established. As evangelicals, who stand in the stream of the Reformation, we believe scripture is the final and ultimate norm, so that the scriptures are our final authority. Scripture stands over reason, tradition, and our own sensibilities and feelings as the authoritative word of God. Hence, the scriptures are infallible and inerrant. Such a view of scripture's authority and truthfulness represents the teaching of the church throughout history. The founders of the Evangelical Theological Society were not innovators; they stand in the stream of the orthodox church, learning from the saints of previous generations. Still, we are particularly grateful for the founders of the Evangelical Theological Society since they blazed the trail for us as a society in their unswerving devotion to the scriptures.

The truthfulness of scripture is contested in every generation, though the guise in which that rejection appears changes. Today there are new challenges and questions to scripture's authority, and thus we are called upon to proclaim the truth of the word of God afresh, "to contend for the faith that was once for all delivered to the saints" (Jude 3), and to teach that "the law of the LORD is perfect" (Ps. 19:7).

Our three plenary speakers are ideally suited to speak to us on these matters, and they scarcely need an introduction since they are all well-known scholars. Don Carson from Trinity Evangelical Divinity School will address recent discussions on the doctrine of scripture. John Frame from Reformed Theological Seminary will speak on inerrancy in Christian perspective, and Ben Witherington from Asbury Theological Seminary will consider inerrancy from a historical standpoint. We will also have a panel discussion on our topic with the three plenary speakers.

Our program also includes hundreds of fascinating and learned papers on inerrancy and other topics, and thus we anticipate being stimulated and edified while we are in Baltimore.

Finally, let me express my gratefulness to Mike Thigpen and his excellent team who have done outstanding work in putting the program together. As our society has grown, stitching together the details of the annual meeting and keeping the society running has become increasingly complex. Mike keeps the wheels turning both at our meeting and year-round, and thus he deserves our thanks for his exceptional work. I look forward to seeing you in Baltimore!

## CONFERENCE OVERVIEW

### PARALLEL SESSIONS

The parallel sessions are composed of five different session types.

**A Affiliated Society sessions** feature presentations that were selected and arranged by one of the three societies which join ETS each year: the Adventist Theological Society, the Evangelical Philosophical Society, and the Near Eastern Archaeological Society.

**D Discipline specific sessions** are composed of presentations that were submitted by ETS members and rated by a panel of scholars who served under the direction of the program chair. These presentations have been grouped into basic disciplines: Old Testament, New Testament, Systematic Theology, Church History, and Practical Theology.

**P Program Unit sessions** are a combination of invited papers and proposed presentations which were selected by the program unit steering committees. ETS has three types of program units. *Consultations* are new program units which are responsible for 1 session of invited papers at the meeting. *Study Groups* are narrowly focused

groups which require active, collaborative participation by the group members. ETS encourages study groups to publish the results of their work. Study groups are responsible for one session of invited papers at the annual meeting. *Sections* are broadly defined groups that represent general areas of interest. Responsible for one session of invited papers and one session of papers drawn from member submissions, the sections offer the most access for unsolicited papers.

**T Theme sessions** are composed of presentations submitted by members, which address the topic of *Evangelicalism, Inerrancy, and the Evangelical Theological Society: Retrospect and Prospect*. These presentations were evaluated by a panel of scholars under the direction of the program chair. The theme presentations have been arranged into cohesive sessions based on texts, topics, and methods.

**C Career sessions** are special sessions that are designed to help ETS members in their careers. These sessions include discussions of the academic job market, publishing, interviewing and other significant career development topics.

## STUDENT SCHOLARSHIP SPONSORS

The goal of the program is to encourage and support students who might otherwise not participate in the Society to appreciate the value of membership and the profitable part that it might play in their academic and ministry futures.

### Premium Scholarship Sponsors

Premium sponsors partner financially to support the program. In addition to free membership and conference registration, scholarship recipients receive assistance for travel, food and lodging. Our premium sponsors help make this happen through their generous contributions to the program.

## HEARING THE MESSAGE OF SCRIPTURE

Get samples in the Zondervan Academic booth for this new series launching early 2014 with volumes by Daniel I. Block (Obadiah) and Kevin J. Youngblood (Jonah). The Hearing the Message of Scripture series draws on discourse analysis tools to help pastors and teachers understand the main thrust of each passage and how it contributes to the development of the whole composition.

## THE STORY OF GOD BIBLE COMMENTARY

Perfect for pastors, students, Sunday school teachers, and lay people alike, this highly anticipated series provides a clear and compelling exposition of the text in the context of the Bible's overarching story. The authors move away from "application" language, encouraging instead a wider perspective and discussion of how the biblical story can be lived today.

## WORD BIBLICAL COMMENTARY

Known the world over as providing the best in critical scholarship, while being firmly committed to the authority of Scripture, the Word Biblical Commentary series is now available from Zondervan Academic!

A vast collection of notes provide insight into the meaning of every page of the *HCSB Study Bible*. Words, names, and customs are explained and significant connections to other Scripture passages are revealed.

*Verse by verse, the depth of God's message becomes clear.*

# Every word matters.

Every word of Scripture matters because every word is from God and for people. Because every word is from God, the HCSB uses words like Yahweh (Is. 42:8), Messiah (Luke 3:15), and slave (Rev. 1:1). And because every word of Scripture is for 21st century people, the HCSB replaces words like "Behold" with modern terms like "Look." For these reasons and others, Christians around the globe are taking a fresh look at the HCSB.

# ALL are called to gospel ministry. believers

**TRINITY**  
EVANGELICAL DIVINITY SCHOOL  
TRINITY INTERNATIONAL UNIVERSITY

*Our programs help students answer this call in a variety of vocations.*

Our Dean, Tite Tiénou, likes to call our community “pan-evangelical.” That’s because our unity in the **gospel** and the **authority & inerrancy of Scripture** fosters a broadly evangelical ethos that welcomes student and faculty voices from various denominational and theological traditions. We believe that this uniquely positions us to prepare students who are able to contextualize the gospel wherever they find themselves.

Our community has modeled excellence in broadly evangelical scholarship for fifty years and counting, and we continue to expand the ways that students can benefit from the global ministry experience and scholarly ethos of our faculty.

We offer master’s and doctoral programs that help prepare students for vocations in the following categories:

ACADEMIC MINISTRY  
COUNSELING MINISTRY  
MINISTERIAL LEADERSHIP  
INTERCULTURAL MINISTRY

Stop by our booth in the Exhibitor’s Hall for more information about TEDS.

You may also pick up tickets for the TEDS Reception (Wednesday, Nov. 20, 9:15-11pm), an opportunity for students, faculty, and alumni to gather.

Learn more at [teds.edu/ETS](http://teds.edu/ETS)

*Watch videos featuring students and faculty introducing our programs, and watch free lectures in our new Media & Resources section, including material from Kevin Vanhoozer and D.A. Carson.*

## EQUIPPED FOR THE JOURNEY

*That the man of God may be adequate, equipped  
for every good work. —2 Timothy 3:17*

**Equipped:** ἐξαρτίζω (v) to be made thoroughly furnished and equipped; used of the outfitting of a ship for a voyage or an army for battle. Being capable of performing the service expected.

Like a fully outfitted ship ready to embark on a voyage at sea, the man of God is to be thoroughly equipped, totally prepared. He is to be adequate, ready and able to meet all demands that come his way. This is what we seek to produce through our Doctor of Theology and Doctor of Ministry programs—men who are fully prepared for key leadership positions. We desire each man to be like a ship's captain, a master of the Word in ready command of his ministry under the Lord Jesus Christ.

# 2014 ETS Student Scholarship Program

The ETS Annual Meeting Student Scholarship Program is designed to help academically promising students who find participation in the Society economically prohibitive, or who come from a traditionally underrepresented group to get to know the Society, its functions, its leaders, and the role it plays in supporting conservative evangelical scholarship. The goal of the program is to encourage and support students who might otherwise not participate in the Society to appreciate the value of membership and the profitable part that it might play in their academic and ministry futures.

## **To be eligible for consideration, a student must meet the following criteria:**

- The program is open to current M.Div., M.A., M.Phil, S.T.M, Th.M., or Ph.D. students working in biblical studies, theology or a related field.
- The applicant should have either an economic need which renders them unable to participate in the Society or should be part of an underrepresented group within the Society. While not limited exclusively to these groups, the Society membership has traditionally been underrepresented in terms of female, African-American, and Hispanic populations.
- The Society's purpose is to foster conservative biblical scholarship. Applicants should be able to demonstrate academic promise which indicates likely ability to participate as an active member of the Society.
- Applicants should currently reside (school residence) within a day's drive of this year's annual meeting venue, San Diego, CA. (8-10 hour drive time or less.)
- Applicants must not be related to any member of the Executive Committee or the Scholarship Program Selection Committee.

## **Nomination Process**

Full or associate members who want to nominate a student should send an email to [office@etsjets.org](mailto:office@etsjets.org) that includes the following:

- Name and contact information for the nominee
- Description of the member's relationship with the nominee
- Description of how the nominee fits the scholarship criteria
- Nominations will be received January 1 to March 1, 2014.

Written from an irenic, evangelical perspective, this Old Testament survey is designed to unpack what the biblical authors most intended to communicate in the Scripture that Jesus read. It is well-suited for students in a college, seminary, or church context, who will find this full-color textbook accessible and engaging.

*What the Old Testament Authors Really Cared About* is gospel-centered, portraying the Old Testament as the foundation for a fulfillment found in the New Testament. Each chapter is written by an Old Testament scholar who is a skilled teacher at one of the finest evangelical schools across North America and specializes in the biblical book covered.

Readers will find:

- Introductory issues (who, when, where, why) condensed to one-page snapshots of essential information at the beginning of each chapter
- The clarity of the biblical message enhanced through nearly two hundred high-resolution photographs, over eighty charts and tables, and twelve color maps
- A format simpler and intentionally shorter than many other surveys, making it a very manageable textbook for a single semester Old Testament survey course

“Finally! An introduction to the only Bible Jesus had that tries to make sense of each book by highlighting its life-giving message. This volume is invitingly organized and composed, and delightfully illustrated.”

—DANIEL I. BLOCK, Gunther H. Knoedler Professor of Old Testament, Wheaton College

“Jason DeRouchie has a sure hand when it comes to guiding a team of scholars. The aroma of his God-centered, Christ-exalting commitments permeates this survey. . . . I would happily put this in the hand of every church member.”

—JOHN PIPER, Founder and Teacher, DesiringGod.org

“No ordinary survey! This clear, concise, and easy-to-understand text will help church folks and serious students alike grasp the contribution of the Old Testament to the Bible as a single text with a unified plot structure that finds ultimate fulfillment in Jesus Christ. Beautiful pictures and helpful diagrams aid communication in a powerful way. I heartily recommend it!”

—PETER J. GENTRY, Professor of Old Testament Interpretation, The Southern Baptist Theological Seminary
