Parallel Session Overview

Parallel sessions

The parallel sessions are composed of five different session types.

A AFFILIATED SOCIETY SESSIONS

feature presentations that were selected and arranged by one of the three societies which join ETS each year: the Adventist Theological Society, the Evangelical Philosophical Society, and the Near Eastern Archaeological Society.

D DISCIPLINE SPECIFIC SESSIONS

are composed of presentations that were submitted by ETS members and rated by a panel of scholars who served under the direction of the program chair. These presentations have been grouped into basic disciplines: Old Testament, New Testament, Systematic Theology, Church History/Historical Theology, and Practical Theology.

P PROGRAM UNIT SESSIONS

are a combination of invited papers and proposed presentations which were selected by the program unit steering committees. ETS has three types of program units. Consultations are new program units which are responsible for 1 session of invited papers at the meeting. Study Groups are narrowly focused groups which require active, collaborative participation by the group members. ETS encourages study groups to publish the results of their work. Study groups are responsible for one session of invited papers at the annual meeting. Sections are broadly defined groups that represent general areas of interest. Responsible for one session of invited papers and one session of papers drawn from member submissions, the sections offer the most access for unsolicited papers.

T THEME SESSIONS

are composed of presentations submitted by members, which address the conference theme. These presentations were evaluated by a panel of scholars under the direction of the program chair. The theme presentations have been arranged into cohesive sessions based on texts, topics, and methods.

C CAREER SESSIONS

are special sessions that are designed to help ETS members in their careers. These sessions include discussions of the academic job market, publishing, interviewing and other significant career development topics.

LETTER FROM THE PROGRAM CHAIR

Welcome to the 67th Annual Meeting of the Evangelical Theological Society

The theme of this year's conference is "Marriage and the Family." With the recent Supreme Court decision about what constitutes marriage, our focus could not be more timely. Such a pragmatic topic needs rigorous academic and biblically-grounded examination. The issues related to marriage, family, sex, gender identity, and the like have seen almost unbelievable redefinition via political and social engineering in just the last few years. Thoughtful, grace-and-truth imbued articulation from a thoroughly Christian perspective is desperately needed in our post-Christian world. I stand in awe of our sovereign God's design of having this theme at ETS this year, since the themes are planned out years in advance. ETS is the right venue for this topic because the issues touch everyone's life and the best answers to today's troubled conundrums must come from those with a high view of scripture and a heart for people.

We have four plenary speakers at this conference who will address a variety of topics related to our theme. Each of the following scholars were chosen because of their expertise on their assigned topics. Dr. Everett Worthington, of Virginia Commonwealth University, will speak on forgiveness in marriage, a much-needed topic in light of the divorce rate among believers. Dr. Myrto Theocharous, at the Greek Bible College in Pikerimi, Greece, will address the sex trade and what believers can do to help rescue these girls from their enslavement and bring them to Christ. Dr. Wesley Hill, Trinity School for Ministry, will discuss what the Church's relation to the homosexual community is and what it should be. Dr. John Trent, at Moody Theological Seminary, will address raising Christian children in a post-Christian world.

As expected, hundreds of significant, stimulating, and erudite papers on the main theme as well as scores of other topics are also on the program this year. We anticipate rich academic fellowship, irenic yet profoundly engaging dialogue in a sola scriptura community, edification of heart and mind, and much to meditate on at our conference in Atlanta.

Thanks are due to the ETS Executive Committee, program unit committees, and the many volunteers who culled through a myriad of proposals for this conference. Without the labors of these folks, the annual meeting would take on a haphazard, amateurish hue.

We are especially indebted to Mike Thigpen, the Executive Director of ETS, his wife Bonnie, and their hand-picked team of dedicated servants who work out the extraordinarily complex logistical details, weaving them into an orderly, efficient tapestry. Mike is responsible not just for the annual program, but for the administration of the Society year-round. He is the unsung hero of the continued growth and success of ETS. Atlanta, here we come! I look forward to seeing you all there.

FAITH & CULTURE
EVER PUT ON SCREEN.”

— ANDY CROUCH, CHRISTIANITY TODAY —

JOIN US FOR THE SCREENING

Christians are told to be “in the world but not of it.” But what does that *really* mean? FOR THE LIFE OF THE WORLD is a series of short films that offers a fresh perspective by exploring oikonomia: God’s economy of all things. Experience the curriculum that colleges and seminaries are using across the country.

Food and drinks will be served.

Best in Class Bible Commentaries

Designed to Draw You Deeper Into God's Word

Each commentary series in the B&H Publishing Group title list is supported by an editorial oversight committed to sound theology and a deep desire to intentionally focus the content in a way that provides an incredibly user friendly experience. We are pleased to announce the next title in our newest series: *Biblical Theology for Christian Proclamation*.

New Series!

BIBLICAL THEOLOGY FOR CHRISTIAN PROCLAMATION

Our newest series offers a unique, in depth commentary on scriptures that encapsulate both an exegetical approach and a comprehensive Biblical Theology application. Launching with the book of Hebrews, each volume provides a discussion of introductory matters, including the historical setting and the literary structure of a given book of Scripture, an exegetical treatment of all the relevant passages in succinct commentary-style format, as well as a thorough discussion of the most important themes of the biblical book in relation to the canon as a whole.

Faithful for Study. *Clear* for Everyday Life.

The **HOLMAN CHRISTIAN STANDARD BIBLE** is a trusted, original translation of God's Word. A team of more than 100 scholars from 17 denominations pursued two ideals with every translation decision: each word must be faithful to the original languages of the Bible and each word must reflect clear, contemporary English. Whether you use it in preaching, group study, private devotions, memorization, discipleship, or corporate worship, you'll find the faithfulness and clarity of the Holman Christian Standard Bible consistently bring God's transforming Truth to life, making it easier to understand, apply, and share with others.

JOHN FRAME

"A further outstanding achievement on its author's part. The book deserves wide use as a textbook, and I hope it will achieve that. My admiration for John's work grows and grows."

LIST \$59.99 **ETS \$30** | 978-1-62995-084-6

"John Frame's Apologetics to the Glory of God brought about a paradigm shift... in my understanding not only of apologetics but of all other intellectual endeavors as a Christian. Ever since then, it has been the first book I recommend to those looking for an introduction to Christian apologetics."

JAMES N. ANDERSON, Associate Professor of Theology and Philosophy, Reformed Theological Seminary

O. PALMER ROBERTSON

The Flow of the Psalms equips us to see a clear redemptive-historical progression that develops across the five books of Psalms. With the aid of charts in full color, he demonstrates how an intentional structure is indicated by elements such as the placement of acrostic psalms, strategic couplings of Messianic psalms with Torah psalms, and the grouping of psalms by topics.

"With his customary clarity and insight, Robertson presents a psalter that is at once theologically rich, historically relevant, and practically impactful."

SOME SCIENTISTS REALLY DO BELIEVE IN GOD.

WANT TO KNOW WHY?

REASONS TO BELIEVE

INTEGRATING SCIENCE AND FAITH

RTB's mission is to spread the Christian Gospel by demonstrating that sound reason and scientific research—including the very latest discoveries—consistently support, rather than erode, confidence in the truth of the Bible and faith in the personal, transcendent God revealed in both Scripture and nature.

In ministry, whether academic or pastoral, we need to dig the well deep, to draw water to serve the people of God over the long haul. To do that requires knowledge and tools. At TEDS, we have the faculty who can do just that—provide the knowledge and pass on the tools.

GRAHAM A. COLE, PHD

DEAN OF TRINITY EVANGELICAL DIVINITY SCHOOL

ENTRUSTED WITH THE GOSPEL

TO SERVE THE GLOBAL CHURCH

At TEDS, our unity in the **gospel** and the **authority and inerrancy of Scripture** fosters a broadly evangelical community that welcomes student and faculty voices from various denominational and theological traditions. We believe that this uniquely positions us to prepare students who are able to contextualize the gospel wherever they find themselves. Our community has modeled excellence in broadly evangelical scholarship for fifty years and counting, and we continue to expand the ways that students can benefit from the global ministry experience and scholarly ethos of our faculty.

BIBLICAL TOURS IN TURKEY, GREECE, EGYPT, JORDAN, ISRAEL, CYPRUS AND ITALY

WALK WITH JESUS, PAUL AND THE APOSTLES

Levent Oral, President of Tutku Tours

Welcome. At Tutku Tours we are not satisfied with a good tour. Instead, we strive for excellence. We want you to return home with memorable experiences that will evoke a desire to return to the Holy Lands again and again. Tutku Tours has been operating for more than twenty years and our company is focused upon Biblical Tours. We conduct Biblical Tours for various groups: academic tours for colleges, universities and seminaries and more leisurely tours for churches and alumni groups. More than 200 schools have chosen Tutku Tours for their visits to the Holy Lands. Won't you join us?

Our guides not only pass the rigorous qualifications for tour guides set by the Turkish Ministry of Culture and Tourism, but they also participate in annual Biblical Seminars required by Tutku Tours. These seminars, conducted by scholars, archaeologists and professors enable our guides to contextualize the biblical world in relation to the places that you visit. This adds another dimension to the tour as students and parishioners are able to imagine what it was like to walk with Jesus, Paul, John and the early Christians. We want your tour to be more than a journey. We want it to be an experience that you'll treasure and never forget. Let me know how I can serve you.

With God's blessings,

Levent Oral
