

## Annual Meeting of the Southwest Region

March 2-3, 2018

The Houston Campus of Southwestern Baptist Theological Seminary  
J. Dalton Havard School for Theological Studies  
4105 Broadway St. Houston, TX 77087

Theme: "New in the Old and Old in the New"  
Plenary Speaker: Dr. Gregory K. Beale

Dear Colleagues:

All full members and student members of ETS are invited to submit paper proposals on this year's theme. Quality papers on topics not directly related to the theme are also welcome.

**Full Members:** Paper proposals should include a title and abstract (300 words), the presenter's name and institutional affiliation, and the presenter's membership status. An acceptable paper should be delivered in 25 minutes with 5-10 minutes for discussion.

**Student Members:** In addition to the above requirements, student papers are to be sponsored by a full member of ETS. Proposals should include the student's degree program and email confirmation from the sponsor who has agreed to oversee the paper's preparation. Please indicate whether you want your paper to be entered into the student paper competition (see below for additional requirements).

All paper proposals should be submitted to [csavelle@swbts.edu](mailto:csavelle@swbts.edu). The submission deadline is Monday, January 22, 2018.

**Student Paper Competition:** Student members whose papers are accepted for inclusion in the program will be eligible to enter a student paper competition. Students who wish to enter the competition must submit the following to Greg Trickett at [gtrickett@wc.edu](mailto:gtrickett@wc.edu) by February 1, 2018:

1. A titled, full version of the paper to be presented suitable for blind review.
2. A 200–300 word abstract with the paper title as it appears on the blind review submission, the student's name, pursued degree, and societal and institutional affiliations.

Winner(s) will be announced at the final plenary session of the conference. Students must present their papers at the conference to be considered for the competition.

Charles Savelle, Program Chair
